MONTHLY UPDATES FROM AGVANTAGE SOFTWARE - YOUR PARTNER IN AGRIBUSINESS

September 2022

AgVantage 2022 Regional Conferences

By Lisa Sick, VP Marketing & Conferences - lisas@agvantage.com

AgVantage is on the road again! We are visiting several locations to bring you the training that you and your team need. Our goal is to reach out to more of your team and have them participate for many reasons, these are a few:

- Learn what's available in the software
- Implement features that can save you time and money
- Invest in your education and mental health
- Enhance your operation for added efficiency
- Energize and empower people with knowledge
- Learn new ideas and perspectives from other attendees
- Get customized training without paying full price
- Talk through issues and find solutions

Who knew training could do all that?

These events are so much more than training, it is an investment in your people. Everyone needs to feel appreciated and valuable. Sending your team to these regional training conferences shows them you care about their mental health and well-being. It shows your investment in their education and gives them a chance to improve their mind and spirit. Plus, knowledge is powerful.

> **"These events are so much more than training, it is an investment in your people."**

With each event, there is a customer appreciation dinner, to show you that we appreciate your business and give everyone a chance to relax and get to know each other. We will not offer these regional events every year, so take advantage of the times we are in your area.

Register for any of these events on our website:

Pacific Northwest – Oct 11-12, 2022
Wisconsin – Nov 15-16, 2022
Ohio – Jan 11-12, 2023
Indiana – Feb 21-22, 2023

If you have specific topics you want to discuss, email **lisas@agvantage.com** to get that added to the agenda.

BONUS: For those attending our regional conferences, you will get our newest koozie. We want you to take it with you and show us where you have been or make us guess where you are! Check out our Facebook page and use the #agvantage for the **Koozie Connection**.

Have a successful fall 2022!
